HESFB FREQUENTLY ASKED QUESTIONS (FAQS)

Question: What is Higher Education Students' Financing Board?

Answer:

Higher Education Students' Financing Board (HESFB) is a body Corporate established by an Act of Parliament, number 2 of 2014, to provide Loans and Scholarships to Ugandan Students to pursue Higher Education. HESFB is intended to provide Loans and Scholarships to Ugandan students who have qualified for Higher education in recognised Higher Education Institutions but are unable to support themselves financially.

Question: Why Higher Education Students' Financing Scheme?

Answer:

It is intended to address the following objectives:-

1. To increase equitable access to Technical and Higher Education;
2. To support highly qualified Ugandan students who may not afford Higher Education;
3. To ensure regional balance in Higher Education services in Uganda;
4. To support courses critical to national development.
5. To ensure sustainable revolving loans fund.

Question: Who is eligible for the loans?

Answer:

HESFB supports students pursuing diploma and undergraduate programmes. Plans are underway to finance Post graduate programmes and Doctoral Studies in the near future.

The scheme is meant for Ugandan students seeking financial assistance to pursue an accredited course of study or programme of Higher Education in an accredited Higher Education Institution recognized by the National Council for Higher Education.

The Board determines the Students' eligibility into the scheme and takes into consideration regional balance, gender, social economic needs and equity.

The Board approves the programmes or courses of study to be funded every academic year.

Question: What does the Loan cover?

Answer:

A loan covers the following:-

Tuition fees; Functional fees, Research fees, Aids and Appliances for Persons with Disabilities (PWDs) for Science and Technology programmes. For persons with disability they are eligible to pursue either Sciences of humanity programmes (refer to table 1)

Note. At present HESFB finances the academic component only.

Question: What does the students/guardian /parent pay for?

Answer:

- Accommodation
- Feeding
- Medical expenses
- Other Scholastic materials and any other expenses required by the student outside what HESFB finances.

Question: What level of education does the loan cover?

Answer:Currently the scheme supports students pursuing selected Diploma Courses and Undergraduate Programmes in Science and Technology.

In future with additional financial resources, the scheme will cover other

disciplines and also consider funding post graduate programmes and Doctoral Studies.

Question: Will the Government employ loan beneficiaries after study?

Answer:

No, however, the courses financed under the Loan Scheme are market-able and highly demanded by both public and private sector, so upon graduation the student must seek for any income generating activity quickly and use the acquired skills to get or create employment.

Question: Can a student work abroad after the study period?

Answer:Yes, However, to facilitate the loan recovery, the beneficiary shall provide to the Board, a proper repayment plan and current address,a copy of the Financial card and accurate present residence while abroad.

Question:Can a student acquire a bank loan while still repaying HESFB loan?

Answer:Yes, the student Loan repayment will take not more than 30% of the Loan beneficiary's net pay but the repayment of the student's loan takes priority over any other loan. However, noncompliance with the student's loan repayment may affect this person's credit worthiness with the Commercial Banks.

Question: What is the repayment period?

Answer:

It shall not exceed twice the course period plus the grace period of one year. There is room to negotiate favourable payment terms, including early repayments.

Question: What is the grace period?

Answer:

According to the HESFB Act, the grace period is 12 months after completing a course for which the loan was awarded. A person who has received a student loan starts repaying the loan with the specified interest (value retention fee) year after completing the course for which the loan was given .

Question: Is it possible to change my HEI?

Answer:Yes but seek approval from your HEI and HESFB.

Question: What happens upon death of a Loan beneficiary?

Answer: In this case, HESFB must be notified immediately.

The Board will write off the outstanding loan amount against the loan protection fund.

Question : What is the Loan Protection Fund?

Answer:

A Student is charged 1 % of the annual gross Loan Amount as Loan Protection Fee. The borrower of the funds shall subscribe to a loan protection fee which shall indemnify them against payment of outstanding debt to the fund as a result of death or permanent incapacitation.

Question : Does the loan attract Interest (Value retention fee)?

Answer:

Every student loan is repayable with value retention fee.

The value retention fee (interest) is determined by the Minister of Education and Sports in consultation with the Minister responsible for Finance and upon

HESFB FREQUENTLY ASKED QUESTIONS (FAQS)

the recommendation of the Board. Currently the value retention rate is 7% per annum charged on reducing balance.

Question: Can I access the Loan money on my personal account?

Answer: No, the Loan money is remitted directly to the Higher Education Institution.

Question: Where do I apply for the Loan?

Answer: Hard copies of Application forms are made available at all Branches of Centenary Bank country wide, at the participating Higher Education Institutions(HEIs) and on the HESFB website; <http://www.hesfb.go.ug>. Students are encouraged to apply online. Students are further advised to apply for the loan after being admitted at any of the participating HEI but before the opening date to allow ample time for processing and remittance of fees. Applicants are required to pay processing fee as determined by the Board.

Question: What does one require to apply for a loan?

Answer:

Application for a student loan requires the following:-

1. A copy of admission letter from any of the participating HEI
2. A copy of the National ID
3. Copies of academic certificates or result slips and transcripts
4. A copy of birth certificate
5. Three(3) most recent passport photos
6. Proof of payment of the Prescribed processing fees
7. A copy of the Financial card
8. A sketch map of applicant's current address/residence
9. Fully filled loan application form to be submitted to the Board through any branch of Centenary Bank

Question: How will disbursement of the loan be made?

Answer: Upon receipt of an invoice from the Higher Education Institution, HESFB remits, the student fees to the Institutions fees collection account, in accordance with the amounts applied for by the students on a Semester basis.

Question: Does the Board allow early repayments?

Answer: Yes, early re-payments are highly encouraged and the funds are deposited directly into HESFB account in Centenary Bank.

Question: Can a student who has already gotten the loan be disqualified?

Answer:

Yes, a loan beneficiary can be disqualified on the following grounds:

- Discovery of document falsification !Provision of false information at the time of loan application.
- Failure to progress academically
- Change of citizenship from being a Ugandan National
- When a student is convicted of a crime
- When a student is dismissed by the HEI

Question: Can one get a Loan or exit during the time of study?

Answer: Yes, the student can "Stagger" the fees requisitions, by applying for the fees only in those semesters or years when they are "needy" and vice versa.

The scheme is a multi - entry and multi exit, such that you can apply for the

loan ONLY AND ONLY IF YOU NEED IT. One should apply for the loan only when he/she needs it during the time of study.

Question: Is one required to pay back the loan if he/she fails to complete the course of study?

Answer:

Yes, all Loan beneficiaries are obliged to pay back all amounts advanced to them irrespective of failure to complete the course of study except where;

- i. The loan beneficiary has got a permanent incapacitation.
- ii. Upon death of the Loan beneficiary. In the above cases, the Board shall recover the outstanding amount from the loan protection fund. On failure to complete your course of study, the loan shall be re-called immediately and the beneficiary shall be required to pay the outstanding amount.

Question: Will HESFB offer scholarships?

Answer: At present, NO scholarships are being offered.

In future, funds allowing, the Board will from time to time award scholarships to eligible students pursuing education in a field of study determined by the Board as critical to national and economic development.

Question: What type of scholarships shall be attainable under HESFB?

Answer: At present, NO scholarships are being offered. The Board's financial capacity can only support loans.

Question: What will the scholarship cover?

Answer: It will cover the following; Tuition fees, Functional fees, Books and reading materials, Accommodation fees, Meals, Research fees, Appliances for Persons with Disabilities, other expenses as may be determined by Board and approved by the Minister.

Question: Who is eligible for a scholarship?

Answer: Any Ugandan student pursuing higher education in a field of study deemed critical to national and economic development and also addressing human capital gaps as approved by the Board.

Question: Is the scholarship repayable?

Answer: No, however it can be repaid where;

a student does not complete the course of study for any unconvincing reasons as determined by the Board, the scholarship is re-called and the student is required to pay back all the money spent on him/her.

Question: What happens if I change the course of study?

Answer: A student loan or scholarship shall only be used for the course for which the loan or scholarship has been awarded and shall not be transferred.

Under Scholarships arrangement, a student who changes course of study forfeits their Scholarship. But a loan beneficiary can change course or Higher Education Institution under a HESFB policy of lending. Further details on this can be obtained from the office.
