The State Minister for Higher Education, Hon. Dr. Chrysostom Musingo launches the loan awards for 2021 - 2022 at the Uganda Media Center

FOREWORD

By the Executive Director

The Higher Education Students' Financing Board is pleased to release the eighth (8th) Loan Award Report for the academic year 2021/22.

The report reflects a journey of eight (8) years, where 12,780 students have so far benefited from the Government of Uganda's funds for their Higher Education under the Students' Loan Scheme.

The Scheme has progressively supported Ugandan Students who are not in position to support their Higher Education due to lack of financial ability and this is a commendable achievement of the Government of Uganda. In the eight (8) years of operation, the Scheme has supported 12,780 students, from over 56 Higher Learning Institutions.

I take the opportunity to appreciate Government for supporting the Scheme, amidst other priority challenges. We appreciate the Parliament of the Republic of Uganda, the Political and Technical Leadership of the Ministry of Education and Sports for their continued support.

As we get close to the end of this Financial Year, the Term of Office of the second Board is also coming to the end. In this respect, we wish to appreciate the outgoing Chairperson of the Board together with the Board members that he has served with. Their selfless commitment and contribution has shaped the Students' Loan Scheme into what it is today. We thank the Chairperson Rev. Fr. Prof. Callisto Locheng A.J (PhD) and his entire Board for the job well done. Their resolve to unceasingly support, counsel and guidance has made us reach this far. We thank them so much and wish them God's blessings.

We greatly appreciate His Excellence the President of Republic of Uganda, Gen. Yoweri Kaguta Museveni for having conceived this great innovation towards the Financing and increasing access to Higher Education to Ugandan Citizens who would otherwise not afford Education at this level. We also appreciate all the support we get from his Government.

We are grateful to the Cabinet and Parliament of the Republic of Uganda for the continuous appropriation of Financial Resources to the Board. We thank our mother Ministry notably the Minister of Education and Sports, HE the First Lady Janet K Museveni and all the State Ministers, we appreciate the Permanent Secretary and all the technical staff of the Ministry of Education and Sports for all the support we get.

In this year Board achieved a number of milestones. First, the entire loan application and award process was

done online where 6,247 students applied, compared to 5,537 that applied the previous year. This signified a growth in numbers by 11.4%

On its mandate to ensure Regional balance, Board used multi-faceted approaches, which brought in students from the Karamoja Sub region. We received big numbers from the Districts of Abim, Nakapripiti and Napak. Since the approach worked well in the Karamoja Region, we hope this shall be replicated in the West Nile Sub Region together with the greater North to ensure that substantial numbers can be realized from these seemingly less developed areas.

In terms of gender parity, the Board has maintained the desirable policy practice of 70% - 30% males to females. This is as a result that out of the 12,780 students so far supported the males are 8,780 comprising 68.7% while the female students are 4,000 comprising 31.3%. But in the current year performance, out of 1,593 loan awards, 918 comprising of 57.6% are males while the females ate 675 or 42.4%. while we desire a balanced performance, it can only be realized at a high cost on the side of the males.

On Disability: - the Board has supported 26 disabled students. Of these 20 are males while 6 are females. In this respect, the Board commits to ensure its continued support to all learners from all spheres in pursuit of social justice and equity for humanity.

In terms of efficiency, the Board continues to grapple, meeting its statutory timelines of processing and awarding loans while the admissions processes of the mainly big Universities are not cogniscent of the need for efficiency. The usual culprits are Makerere, Kyambogo, and Gulu University. We hope the Permanent Secretary shall continue to urge them to try and be more efficient.

Finally, we celebrate the expansion of the Scheme offering. While we started with supporting students in 12 Universities in the Academic Year 2014/15, to date the Scheme supports students in 21 Universities of which 9 are Public while 12 are Private Chartered Universities. The Board also stretched the budget to support students in 36 Listed Other Tertiary Institutions in the country. We welcome the getting on board by

We appreciate the working Team of both the Technical and Administrative staff at HESFB. Thank you for your hard work, focus and commitment.

We promise to strive and “EMPOWER the DREAMS” of all the learners under our care as we provide Sustainable Financing for Equitable access to Higher Education to all eligible Ugandans”.

For God and my Country

CPA Michael O. Wanyama
EXECUTIVE DIRECTOR

Acknowledgements

By the Board Chairperson

The Higher Education Students' Financing Board is a body corporate established by an Act of Parliament to provide Loans and Scholarships to Ugandan Students who can are unable to finance their Higher Education.

In our eight (8th) year of existence, the Board has now funded 12,780 students in the different Universities and Other Tertiary Institutions to pursue both Undergraduate Degrees and Diplomas. For this we appreciate Government of Uganda.

This year, the Board received a total of 6,247 applications compared to 5,537 applications received in the academic year 2020/21. This year, the Board revolutionized the loan Application Process, and fully implemented the online Loan Application procedure. We are grateful to the staff that supported the Loan Applicants at the established centers.

Of the 6,247 received applications, 4,503 (73%) were male while 1744 (28%) were females; out of these, Board awarded financial support to 1,593 students; of these 918 (57.6%) are males while 675 (42.4%) are females. We appreciate the efforts of the Board on the achievement of this affirmative action stride.

More to this, the Board supported 26 students with disabilities, it's so far the highest number that has ever been supported in a single year. Of these 5 are female while 21 are males. We are proud of this achievement as it's in line with social justice and inclusion for all in the education.

This year, marks our final term in office as Board Members, we served two terms of four (4) years each since April 2014. We have been highly encouraged by the support from the Government, for this we pay special tribute to HE the President of the Republic of Uganda, and his Cabinet Ministers for the support and guidance received over the time; We specifically appreciate the entire political leadership of the Ministry of Education and Sports; The Permanent Secretary and the Technical staff of the Ministry for the support and good working relationships;

I wish to commend all the Board Members for their zealous commitment towards the services of the Board; the Management and Staff of the Secretariat for doing their work in time and putting in extra hours to beat the deadlines. We know it has not always been smooth but you have always emerged victorious.

Thank you everyone, For God and my Country

Rev. Fr. Prof. Callisto Locheng, A.J. (Ph.D)

1.1 Background information on the Higher Education Students' Financing Board

The Higher Education Students' Financing Board [HESFB] is a body corporate established by an Act of Parliament, No. 2 of 2014, to provide Loans and Scholarships to Ugandan Students to pursue Higher Education. HESFB provides Loans and Scholarships to Uganda Citizens who qualified for Higher Education in recognized Higher Education Institutions but unable to support themselves financially. By this, the Board is administering the Higher Education Students' Financing Scheme, commonly known as the Students Financing Scheme.

1.2 The Operations period of the Financing Scheme

The Higher Education Students' Financing Scheme has existed for the last eight (8) years. The Scheme is governed by a Board and managed by the Executive Director who is assisted by other Management staff.

1.3 The Objectives of the Scheme

- a. To increase equitable access to Higher Education
- b. To support highly qualified students who may not afford Higher Education;
- c. Ensure regional balance in Higher Education Services in Uganda;
- d. To support programmes that are critical to National Development;

The above objectives are performed by the Board in accordance with Section 5 of the Higher Education Students' Financing Act that spells out the Board's functions which include:-

- i. To manage the Higher Education Students' Financing Scheme;
- ii. To administer the fund;
- iii. To provide financial assistance to eligible students
- iv. To establish a loan protection fund for loans granted to students.

for the past eight (8) years, the Board has awarded Loans to 12,780 students and has not awarded any Scholarship as envisaged under part IX – on Transitional Provisions in Section 42 (1) and (2).

- v. To determine the number of eligible students to benefit from the Scheme.
- vi. To explore modalities for resource mobilization for the Scheme.
- vii. To perform any other function that is incidental or connected to the objects of the Board.
- viii. To establish and maintain collaboration and network with other persons, bodies, or organizations within or outside Uganda as the Board may consider appropriate, for the furtherance of the purpose of the scheme

1.4 The Activities of the Board

The Higher Education Students' Financing Board has a duo mandate of offering Loans and Scholarships, and for the past eight (8) years, the Board has awarded Loans to 12,780 students and has not awarded any Scholarship as envisaged under part IX – on Transitional Provisions in Section 42 (1) and (2).

Section 42 (1) states - All scholarships currently offered by the Government of Uganda, including bilateral scholarships, existing immediately before the commencement of this Act shall vest in the Board. This Section of the act is yet to be realised as the Ministry of Education and Sports looks forward to completion of the restructuring process which is about to be completed by both the Ministry of Public Service and the Ministry of Education and Sports.

It should further be noted that Section 42 (2) of the Act states that – The Central Scholarships Committee of the Ministry of Education and Sports existing immediately before the commencement of the Act shall cease to exist on such a date as the Minister may by statutory instrument publish in the gazette.

The failure to operationalize the above Sections of the Act has skewed the operations of the Scheme to awarding of only Loans to Ugandan students who can not finance their Higher Education.

BOARD MEMBERS

Rev. Fr. Prof. Callisto Locheng, A.J. (Ph.D.)

BOARD CHAIRMAN

Rev. Fr. Prof. Callisto Locheng is the pioneer Board Chairperson whose term of office was renewed and in accordance with the Higher Education Students' Financing Act, he is serving his second and last term at HESFB.

2.0 THE HESFB VISION, MISSION AND CORE VALUES.

2.1 The HESFB Vision

The HESFB Vision is “Equitable Financing of Higher Education for Ugandans.”

2.2 The HESFB Mission statement

The HESFB Mission statement is “To provide Sustainable Financing for Equitable access to Higher Education to all eligible Ugandans”

2.3 The HESFB Motto / slogan

HESFB Motto / slogan is “Increasing access to Higher Education.”

2.4 The HESFB strategic plan 2017/18 – 2021/22, came up with the following organizational core values;

The Core Values of the Board are still as follows:-

- i. Teamwork; at the core of everything we do, are committed individuals who will offer encouragement and support to one another.
- ii. Integrity; we welcome and believe in people of integrity. We applaud the individual who practices honesty and fairness. We act with integrity towards all stakeholders and support clients that uphold the same values.
- iii. Transparency & Accountability; we encourage openness; maintain effective communication and accountability so that value for money and an outstanding service experience for all our stakeholders is achieved. We take responsibility for our actions that drive performance.
- iv. Courteousness; we uphold the highest standards of work ethics while executing our mandate; acting in a polite, respectful and considerate manner. We pay special attention to each individual in their capacities and we ensure that their interaction with us is memorable.
- v. Creativity & Innovativeness; we encourage, explore and reward innovativeness that enhances service delivery.

3.0 THE LOANS FOR THE ACADEMIC YEAR 2020/21

Pursuant to Article 20 on Eligibility into the Scheme and Article 21 on Applications for Loans & Scholarships of the Higher Education Students Financing Act No 2 of 2014, the Board advertised the call for Loan Applications on Monday 11th October 2021 and the deadline Tuesday 30th November 2021.

By the time of the deadline, some public Universities and all the other Tertiary Institutions had not finalized their admissions processes. For that reason, Makerere University, Kyambogo University, Gulu University, Lira University, Soroti University and All the other Tertiary Institutions students got an extension of applying for Loans of up to Saturday 15th January 2022.

Unfortunately, as the deadline got close, the Ministry of Education and Sports requested for an additional extension of ne week, which took us to 21st January 2022 as the official deadline for the Other Tertiary Institutions.

So the way, the deadline worked out, meant that also the Releases of the successful applicants had to happen in two (2) Lots.

Therefore, this Loan Award Report is being presented in two Lots, where Lot I Students were selected from all the participating Private Chartered Universities and the four (4) Public Universities which included: - Kabale University, Busitema University, Mbarara University of Science and Technology and Muni University. It should further be noted that these are efficient Universities.

Then Lot II Applicants were selected from among the students of Makerere University, Kyambogo University, Gulu University, Soroti University and lira University and all the participating Other Tertiary Institutions.

*Loan Scheme List
released in (2) Lots*

4.0 THE PROCEDURE FOLLOWED IN APPLYING FOR A STUDENT LOAN

As aforementioned, Pursuant to Section 20; “on Eligibility into the Scheme” and Section 21 “on Applications for Loans and Scholarships” of the Higher Education Students Financing Act No 2 of 2014, the Board approved the Student Loan Application Form and the Advert calling for Loan Applications.

Within the budgetary framework, the resources were availed to publicize this information which included the following avenues: -

The call for Loan Applications was placed in the Newspapers of wide national coverage which included the New Vision, the Daily Monitor and the Luganda daily – Bukedde for as much as the Budget could allow. In addition, the newspapers published this call for Loan Applications on their respective websites for the electronic news readers. More to this, the Board posted the call for Loan applications on its website www.hesfb.go.ug and shared the same on social media platforms which include What’sApp, Twitter, and Facebook.

For the first time, the entire Loan Application process was online. The Board made steps towards full digitalization of the Loan application process. In addition, the Applicants were fully supported at the different online Loan Application Support Centers which were created in 18 locations across the country.

The Board took traditional initiatives and shared its information with all the participating Higher Education Institutions through the offices of the Academic Registrars, the Ministry of Education and Sports and all the offices of the Chief Administrative Officers, the Offices of the Resident District Commissioners and the District Education Officers in all the Districts of Uganda.

The existing students in the Loan portfolio have several WhatsApp accounts where the call for Loan Applications was also shared on their platforms to ensure that

their peers and colleagues could also access the information.

The Board further advertised the call for Loan Applications on Community Radios in different languages in order to attract the attention of the students, parents and guardians who may not have access to the electronic media. Similarly, the Secretariat Officers participated in numerous radio talk shows and TV programs to present the Students' Financing Scheme issues to the public. The following Radio stations were engaged: - the people of Lango on Voice of Lango, the people of Acholi on Megha FM, and West Nile on Radio Pacis in Arua, Radio Paidha in Zombo and Radio Amani in Adjumani. In the Karamoja sub region, Akicha FM in Moroto and Voice of Karamoja in Kotido. While in Nakapripiti, the Scheme was popularized using Heritage FM to reach out to the Sabinu people.

*Social Media
played a
key role in
disseminating
information
about the Loan
Scheme*

In Busoga Region we engaged Baba FM, while in Bugisu we engaged Open Gate FM for the Lumasaba, English and Lugwere speakers / listeners.

In Bukedi, we engaged Rock Mambo FM based in Tororo, while in Bunyoro we used Radio Kitara and Jogo FM in Busia for the Samia listeners to send the HESFB message across. In Western Uganda, the Board engaged Radio West in Mbarara. In Central Uganda, we engaged Central Broadcasting Service (89.2 FM) and Namirembe FM for the Luganda listeners, while the English Speakers were targeted using Radio One FM 90.

This initiative was further supported by Television talk shows which were broadcasted live on NTV.

As aforementioned, Social Media has been highly utilized in the drive, as it's known that the youth are now inseparable with what's App, Twitter and Facebook.

5.0 MODE OF DISTRIBUTING THE LOAN APPLICATION FORMS

In the previous Seven (7) years, the Board has been distributing hard copies of the form while at the same time allowing online Loan Applications.

This academic year, the Board made a decision to fully roll out the online Loan Application mode for all Loan Applicants.

The Loan Application Form was hence imbedded in an easy step by step Loan Application process which was accessible from :-
<http://www.hesfb.go.ug/ilmis>;

This approach was then supported by the 18 online Loan Application Support centers.

“
Online Loan Application Increased from 5,598 to 6,256 in AY 2021/22 as compared to AY2020/21 which indicate a 10% Increase

6.0

THE LOAN APPLICATION PROCESS

i) The Online Loan Application mode;

As aforementioned, that Board adopted the online Loan Application mode as the only mode for Loan Application. The mode enabled every student to fill their form, and everyone got the opportunity to submit their application directly into the Integrated Loan Management Information System.

ii) The Loan Application Process

During the Loan Applications for the academic year 2021/22, the Secretariat received a total of 6,256 Loan Applications up from 5,598 which were received in the academic year 2020/21. This development signifies a 10% increment in the number of received applications.

The Board first opened the Loan Application process online, ILMIS received an overwhelming attempts of 15,016 compared to 4,063 who attempted to apply in the academic year 2020/21.

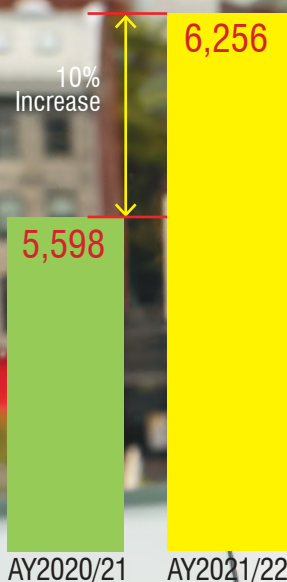

This success is more than welcome as it represents a 260% rise in the usage of the online Loan Application Mode.

On a good note, Board had made its decision to adopt the online Loan

Application as the only acceptable mode of Loan application was generally a very successful campaign and win by the Board to entirely move from the hard copies to online application system.

As previously reported, this remains the sure option going forward in supporting the achievement of meeting the timelines, conforming to the Standard Operating Procedures of COVID-19 and meeting the legal compliance in processing loan applications within the statutory 21 working days.

This is further supported by the fact that all public Universities had already embraced the online admission applications which has been taken on by all Private Universities and Other Tertiary Institutions which is a blessing much as it came as a result of the effects of the COVID-19 pandemic.

The Board first opened the Loan Application process online, ILMIS received an overwhelming attempts of 15,016 compared to 4,063 who attempted to apply in the academic year 2020/21.

7.0 THE PARTICIPATING UNIVERSITIES AND THE OTHER TERTIARY INSTITUTIONS

A total of 22 Universities were approved by the Board to participate in the Students' Loan Financing Scheme for the academic year 2021/22; these are shown in the table below: -

HIGHER EDUCATION STUDENTS' FINANCING BOARD			
LIST OF THE APPROVED PUBLIC & CHARTERED PRIVATE UNIVERSITIES TO PARTICIPATE IN THE STUDENTS' FINANCING SCHEME FOR THE ACADEMIC YEAR 2021/22

10	Special Needs Education
11	Statistics
12	Computer Science and Information Technology
13	Health Care Management Sciences
14	Pure Sciences
15	Selected Humanities and Business programmes on Affirmative action

Table 3 shows the list of the approved disciplines from where the supported students fall:-

The list of the approved Undergraduate Degree programmes for support under the Students Financing Scheme for the academic year 2021/22 is attached as Annex I while the list of the approved Undergraduate Diploma programmes for support in the academic year 2021/22 is attached as Annex II

THE PRODUCTS OF THE STUDENTS' FINANCING SCHEME FOR THE ACADEMIC YEAR 2021/22

In September 2016, the Board started discussions on increasing its product offering to a wider group of students. In its deliberations, the support to continuing students and Doctoral Students became so prominent since the number of students who join Higher Learning Institutions with the hope that in the future there can always be a way of securing funds was so prominent. It further became evident that many continuing students apply for the loan much as the Board was majorly supporting only the students joining Higher Learning Institutions for the first time.

As the voices became louder and louder year after year, Board in its subsequent sittings of December 2019 and June 2021 approved the funding to continuing students and the operationalization of funding to continuing students respectively.

The Parliament of Uganda, appropriated UShs 500,000,000 to the Board to operationalize funding to the continuing students during the FY 2021/22. To this end, due the funding limitations, and in view of the Board's unit cost estimates, the provided funds could support at least 100 students.

With the said funds, we are glad to report that Board was able to prudently apportion the resources to the support of 120 students for their final year of study during the Academic Year 2021/22 as a New Product.

For this, we are glad that HESFB now has two (2) products offered to Ugandans on the Students' Loan Scheme. We hope that in the near future, funding to Doctoral Students shall also be operationalized when funding is availed.

10.0 ELIGIBILITY INTO THE STUDENTS' FINANCING SCHEME FOR THE ACADEMIC YEAR 2020/21

With the approval of the Board and in accordance with Section 20 of the Higher Education Students' Financing Act, No 2 of 2014, the Executive Director appointed a Five (5) member committee to select the students who were found eligible to the Scheme. It should be noted again that the Board strictly targets to support Ugandan Citizens to access Higher Education for programmes of study in accredited institutions of Higher Learning. The committee performed its role within the confines of the given Terms of Reference (TOR).

The criteria took strict consideration of gender, social economic needs, equity and regional balance

The committee, adopted a methodology as outlined below:-

METHODOLOGY ADOPTED BY THE COMMITTEE TO ACHIEVE THE TOR's

In achieving the terms of reference, the Committee adopted the following methodology to achieve its objectives;

1. The Committee received and discussed the generated ILMIS proposed list for beneficiaries for academic year 2021/22. These were 4,894 eligible applicants.
2. The Committee received and discussed the available approved budget for

*Regional Balance, Gender, Social
Economic needs and Equity
students loan criteria*

financial year 2021/22 which was provided as UShs. 6,050,000,000, of which UShs 500,000,000 was allocated to finance Loans for Continuing Students.

3. The Committee was guided by the principles reiterated under Section 20 sub-section 2 of the Higher Education Students' Financing Act of 2014 to ensure regional balance, gender, socio economic needs and equity.

4. Further considerations were made on affirmative action on Persons with Disabilities, Gender and Regional balance.

5. The Committee developed parameters to filter the data from ILMIS in order to make key decisions in line with the task.

- i) ILMIS Number
- ii) Name of the Applicant
- iii) Gender
- iv) Higher Educational Institution applied to
- v) Programme applied for
- vi) Telephone contact
- vii) Means-test score
- viii) Semester 1 & 2 fees
- ix) Total fees per annum
- x) Course type
- xi) Applicants disability status
- xii) Applicants whose parents have a disability
- xiii) Region.

6. The Committee established cut-off points for all applicants based on the grading system of the means test embedded in the Integrated Loan Information Management System (ILMIS).

7. The Committee considered the fees structures for Higher Education Institutions versus the programmes of study to determine the number of beneficiaries based on the available budget.

8. The above procedure was carried out to select successful Applicants for what was categorized as Lot I Students, Lot II students, the Continuing Students and the students who Appealed for reconsideration after the loan award processes.

Unlike the previous academic years, where the Board only considered Loan applicants joining the Higher Education Institutions for the first time (i.e. first year students), it should be noted as stated in 10.0 that funding to continuing students was also funded and operationalized for the first time this academic year 2021/22.

While the Board considered applications from Year One Students, care was also made to accept Applications from students who were destined to proceed to their Final year of Study.

Accordingly, all applicants whose credentials differed from the above description had their applications rejected.

From above, Board rejected 1,364 Loan Applications which comprised 21.8% of the total number of the received Loan Applications on grounds which included; Unaccredited Programmes by National Council for Higher Education, Unapproved Higher Education Institutions by the Board, Unapproved programmes by the Board, continuing students and incomplete application forms and late applicants who totally failed to observe the application deadlines. We notably received many forms from Humanities students and very many students tried to hide under the disability category, for that reason very many applicants wanted to be supported to pursue Humanities programmes which were set aside for students with disabilities. Further cleanup continues along the way until the portfolio is free of any human errors.

<u>REPORT ON DEFERRED / REJECTED FILES FOR COHORT 2021/22</u>

Table 4: The rejected applications and the grounds against which they were rejected segregated by Gender

In addition to the review, further verification shall be done, reported and managed administratively for further cleanup and action.

10.1 Disability

Following the Board approval that students with disabilities can pursue both Higher Education Programmes in Science and Humanities, Board approved funding for 20 students who comprise four (4) females and sixteen (16) males during the Lot I Loan Awards.

During the Lot II, Loan awards, Board approved support to an additional 22 students who comprised of Seven (7) females and Fifteen (15) males.

This made a total of 42 students where 11 are females and 31 are males. As a norm, the Board verifies them to ascertain their disability statuses. During the Lot I verifications, six (6) students were found not to be disabled but rather cases that could be clinically managed. In the Lot II verifications, another ten (10) students were also found not to be disabled.

To this end, a total of sixteen (16) applicants have had their Loan offers withheld. The communication to the effect that the offers have been terminated has been prepared and presented to the Executive Director for cancellation.

This is to conclude that during the Academic year 2021/22 Loan Awards, a total of 26 students qualified for financial support under disability ticket.

S/No	Name of Applicant	Gender	Admitted University	Admitted Course	Course Duration	Course Type	DOCTORS REPORT
1	Adam Galandi	M	Busitema University	BSc. Polymer, Textile & Industrial Engineering	4 years	Degree	The left leg is shorter than the right one which is a disability
2	CISSY NAMWANJE	F	Uganda Technical College,Elgon	Diploma in Building & Civil Engineering	2 years	Diploma	Right Ear-Moderate hearing, Left Ear -Mild hearing. Benefit from hearing aids
3	CLAIRE AKELLO	F	Kyambogo University	BA Education	3 years	Degree	Complete blindness

11	MUSA MUSASIZI	M	Kampala International University	B. Pharmacy	4.5 years	Degree	Foot deformity since childhood
12	Oliver Nabirye	F	Kyambogo University	BA Education	3 years	Degree	Complete blindness which has lasted since birth
13	Philip Ndyowe	M	Kyambogo University	Bachelor of Interior and Landscape Design	3 years	Degree	He has a traumatic cataract which impares the vision of the right eye thus a moderate disability
14	ROBERT KALIBBALA BAT	M	Islamic University in Uganda	B.Sc. Education	3 years	Degree	Viaibly seen that both legs are supported with metals
15	SEITH TRAVOR AKAMPUR	M	Institute of Survey and Land Management	Dip in Land Management and Evaluation	3 years	Diploma	He has hypertrophic scar around slightly above his cuff muscles which makes them tensed when moving and some times causes pain - mild disability
16	JAMES OCEN	M	ISBAT University	B of Eng in Electronics and Communication	4 years	Degree	No sight in the right eye(totally blindness)
17	Seth Ahabwe	M	Bishop Stuart University	B. Information Technology	3 years	Degree	He has abnormal gait while walking (knock knees) and currently gets pain in the knees while walking
18	SHADRACK MUWANGUZI	M	Kyambogo University	BSc. Telecommunications Engineering	4 years	Degree	He doesn't have apalm
19	TADEO ARIONG	M	Busitema University	B. Agribusiness	3 years	Degree	The left eye can see only one meter which qualifies to be adisability
20	JODAN KIIZA	M	Bishop Stuart University	B. Business Administration	3 years	Degree	Has webbed fingers(syndacty)
21	Robert Bazirake	M	Bishop Stuart University	B Science Education	3 years	Degree	6% disability
22	Ibrahim Kamwada	M	Islamic University in Uganda	B.Sc. Education	3 years	Degree	Left eye completely blind
23	Alison Arinda	M	Bishop Stuart University	Bachelor of Arts with Education	3 years	Degree	Graded as impaired and partially disabled
24	Anest Nahabwe	M	Bishop Stuart University	B. Social Works & Social Administration	3 years	Degree	Graded as phsically disabled
25	EVANGELISTA LAMARA	F	Makerere University	Bachelor of Arts with Education	3 years	Degree	Categorized as low vision person, Uses large print, and JAWS on a laptop - Disabled
26	ISAAC BUSUBIRI	M	Makerere University Business School - Jinja Campus	B. Commerce (Accounting, Finance & Banking)	3 years	Degree	Right Hand Eye has no vision,

Table 5: Details of the Verified Students on the Disability Ticket for the Academic Year 2021/22

11.0 THE SELECTION OF LOAN AWARDS FOR THE ACADEMIC YEAR 2021/22

The Board first made an online call for Loan Applications in August and went ahead to Advertise in the print media on 11th October 2021. The deadline for receiving Loan Applications was 30th November 2021. However, by that time, some Public Universities including Makerere University, Kyambogo University, Soroti University, Gulu University and Lira University and all the Other Tertiary Institutions had not all finalized their admissions processes. Board then extended the deadline for those particular Institutions whose new deadline became 15th January 2022. Unfortunately, even with that extension, the Other Tertiary Institutions through the Ministry of Education and Sports, requested for an additional week to finalize their admissions. For that reason, 21st January 2022 the last deadline for receiving Loan Applications for Diploma Applicants of Other Tertiary Institutions.

The mentioned extensions led the Board into the decision of processing the Loan Applications into Two (2) Lots.

Following the processing and award of loans into the two Lots, the verification exercise for students on the disability ticket, the students that withdrew from the Scheme and the processing of the Students under appeals, the Board shall support a total of 1,593 students during the academic year 2021/22.

11.1 Lot I Loan Selections

Lot I took care of the Applications from all the Private Chartered Universities and the Public Universities which had completed their admissions processes. These were Bishop Stuart University, Bugema University, Kampala University, Kampala International University, Islamic University in Uganda, Nkumba University, Ndejje University, ISBAT University, Mountains of the Moon University, Uganda Christian University and Uganda Martyrs' University. The Lot I Public Universities were Muni University, Mbarara University of Science and Technology, Kabale University and Busitema University.

In this round of applications (Lot I), the Board registered 4,797 Applications, of these 871 (18.2%) were rejected, consequently, the Board processed 3,926 applications which represent 81.8% who met all the eligibility requirements. These were presented for selection and award of financial support.

Of the processed total of 3,926 applications, 2,856 (72.7%) were male applicants while 1,070 (27.3%) were female applicants.

Of the presented 3,926 Applications Board awarded Loans to 920 students.

In this category of Loan awards, three Loan Products were considered; these are: - the Undergraduate Degree Loans, the Undergraduate Diploma Loans and the Continuing Students Loans.

The Board's cash flow and liquidly management mechanism, the funds for continuing students were not meant to increase like that of the first year students, because it was provided as a fixed amount for a specific purpose, the funding was channeled to fund both Undergraduate Degree and Undergraduate Diploma Students entering their final year of study. The funds are now approved to fund only one academic year, i.e. the final year of study

11.2 Operationalizing Funding to Continuing Students

Out of the 130 Loan Applications which were found eligible for support 120 students were awarded financial support. As detailed below, of the 120 students, 85 were male while 35 were females. In addition, 89 of them were Final Year Undergraduate Degree Students while 31 were Final Year Undergraduate Diploma students.

The details are provided in due course

11.3 Lot II Loan Awards

In Lot II, Board received an additional 1,226 applications, however, 279 applications were received out of time and so they were declined for further processing. This left 947 eligible applications which were processed together with 81 applications which had been received during the Lot I considerations. In this respect, a total of 1,028 applications were processed under Lot II Loan processing and Board awarded Financial support to 620 Applicants.

12.0 WITHDRAWALS FROM THE SCHEME

14.0 Withdrawals from the Scheme

This academic year, out of the Lot I offers which were 920 students and 620 arising out of the Lot II Loan Awards, a total of 89 students withdrew from the Financing Scheme of which 44 were females while 37 were males. The established reasons for the withdrawals included: -

- i. 8 students who had forged disability status.
- ii. 1 student who opted out as his application to change to a more expensive programme was declined.
- iii. 7 students were beneficiaries of the merit, district quota and regional scholarship schemes.
- iv. 1 student from Abim, failed to raise funds for meals and accommodation
- v. 10 were continuing students but not finalists.
- vi. 62 students declined to sign agreements reasoning that they had lost interest in further education.

To this end, a total of 89 students withdrew from the scheme.

The 89 withdrawn students have been presented in Appendix III. The withdrawn students released a total of US\$ 413,383,000, and our observation was that most of them were taking expensive programmes which when redistributed can afford to cover a bigger number of appeals.

13.0 APPEALS

On behalf of the Minister of Education & Sports, the Board received a total of 1,770 student appeals for reconsideration in accordance with Section 40 (1) of the Higher Education Students' Financing Act. The 1,770 students required a total of UShs. 8,033,184,000 at a Unit Cost of UShs 4,500,000 per student p.a.

The Secretariat informed the Minister of the requirement for her to reconsider the students in accordance with Section 21 (5) of the Higher Education Students' Financing Act No. 2 of 2014, within the available resources. In the same respect, Secretariat requested Government through the Ministry of Finance Planning and Economic Development through the Permanent Secretary of Ministry of Education and Sports for a UShs. 6.9 billion supplementary support which never materialized.

Following the release of the list of the successful loan applicants by the Minister of State for Higher Education, the Secretariat supported the students to sign the Loan Agreements and Legal Undertaking. Unlike the previous academic year, the exercise was physical at all the participating Higher Learning Institutions.

The Board appreciates the Institutions for organizing and coordinating the sensitization exercises in observance of the Standard Operating Procedures of the Ministry of Health.

Further sensitization programs were also conducted at the Secretariat Offices for the students who missed out on their main sessions from their respective Higher Learning Institutions, to ensure that no one was left behind.

In the process of the sensitization several students reported their unwillingness to proceed with the scheme, while a few others were weeded out due to non-compliance, with eligibility, however, a good number withdrew on their own.

13.1 Reconsideration of Appeals

The Secretariat presented the names of students who had appealed to the Board for reconsideration.

The following considerations were put into account when choosing applicants: -

1. All the students' appeals were reconsidered in view of their Means Test Scores.
2. All the appeals which previously had been declined, were reviewed by the committee. The forms which had been rejected with correctable reasons were reconsidered by the Loans Department. The prior reasons for rejection included: - incomplete forms where the missing document were attached and then reconsidered. Others had been taken as continuing students yet they managed to attach dead year approval documents from their respective Institutions, some students never attached admission letters and so the committee considered their attached documents and the like.
3. All the considered appeals were reconsidered together after corrective action.
4. The Further explanation of the student's social economic conditions, which was missed on the received Loan Application forms was also considered.

5. The available resources for consideration was also taken into consideration. This reconsideration was cognoscenti of the amount of funds which the withdrawn students from the Financing Scheme availed, in addition to any other sources which the Board could utilize to ease the plight of the applicants.

13.2 Source of Funding Appeals

Three sources of funds were considered for the appeals.

1. A total of 81 students withdrew from the scheme, these had been allocated US\$ 413 million. These funds have been considered for reallocation.
2. 32 students changed Programmes and Institutions, following their successful approval, Secretariat received a net saving of US\$ 28 million.
3. A total of 92 students of the 7th cohort (2019/20) withdrew from the Scheme which resulted in a saving of US\$ 285 million in the Academic A net benefit of US\$ 285 million being unutilized funds of students of 2019/20 who have never applied for any funds.

This added together made total of US\$ 726 million which was subsequently utilized to support the students' appeals. This fund was found to be able to support a total of 142 students.

NOTED OBSERVATIONS

- 1.1 All the 1,770 students who appealed had reported for studies at their respective Universities and the Other Tertiary Institutions with the Loan Scheme as their only hope.
- 1.2 Attempts to get a supplementary budget totaling to US\$ 6.95 billion has been futile making it difficult to support 92% of the received appeals.

14.0 STATISTICAL ANALYSIS

The academic year 2021/22, the Board received 6,256 Applications compared to 5,590 applications which were received in the academic year 2020/21. This represents a growth in the total number applications by 666 more applicants representing an increment by 11.9%.

This is attributed to the extension which the Board made in order to accommodate the Public Universities which could not process their admissions in time. Secondly, there was a big number of students who should have joined Higher Learning Institutions the previous year of COVID and they did not. So they used the extended Loan Application timelines to apply to join within the provided opportunity.

We however appreciate the support received from the Media together with the concerted sensitization drives spearheaded by the Communications Unit for the support rendered to the public in accessing Loan Application information during the lockdown, and the drive towards the Online Loan Application Mode.

14.1 The Numbers

There was need to scientifically arrive at how the two Lots could be allocated both numbers and financial resources. During the releasing of the Loan Awards. This was statistically computed with running averages considered for the past six (6) years. However, academic year 2018/19 was left out being an outlier given the fact that funds which were availed to the Board for the Loan awards resulted into very many loan offers.

The running averages for the two distinctive Universities in the separate phases were computed. The sum of the running averages for Makerere University, Kyambogo University, Lira University, Gulu University and Soroti University was 447 students for the period under consideration, while Kampala International University, Ndejje University, Busitema University, Mbarara University of Science and Technology, Bishop Stuart University, Kabale University, ISBAT University, Muni University, Uganda Martyrs University, Uganda Christian University, Kampala University and Nkumba University had a running sum of the averages for the period under consideration as 963 students.

So for both Lots' share we got the sum of 963 and 447 were taken as respective ratios of 1,200 students budgeted for Undergraduate Loan awards the academic year 2021/22.

This resulted into 820 students for Lot I Loan Awards while the Lot II Institutions based on the same level of computation resulted into a share of 380 students.

In the same way, the budget was computed for the two Lots, which resulted into financial estimates and numbers as shown in the table below: -

ESTIMATES OF THE FUNDS FOR THE 8th COHORT IN THE ACADEMIC							
Programme Category	No. to be supported	Unit Cost	Amount	Phase I Loans	Amount	Phase II Loans	Amount
Undergraduate Degree	1,200	3,750,000	4,500,000,000	820	3,075,000,000	380	1,425,000,000
Diploma	300	3,500,000	1,050,000,000	65	227,500,000	235	822,500,000
Final year students	100		500,000,000	120	500,000,000	-	-
Total	1,600		6,050,000,000		3,802,500,000		2,247,500,000

Table 6: Budget Estimates and Estimated Numbers to be supported in the two phases of Loan awards

14.2 Lot I Loan Awards

As mentioned earlier, that the Institutions which had completed the Admissions processes for the academic year 2021/22 had their Loan Applicants considered during the first round of the Loan Awards. During this consideration of Loan awards, Board considered a total of 3,926 students for which only 920 were considered. Of the considered 464 (50.4%) were Male while 456 (49.5%) were females.

		Eligible Applicants by Gender		Considered Applicants		
Total No. of Applicants	Total no of Eligible Applicants	Male	Female	Total No.	Male	Female
4,797	3926 (81.8%)	2,856	1,070	920	464	456
	Percentages	72.7%	27.3%	23.4%	50.4%	49.6%

Table 7: Lot I Loan Offers

Of the 920 Loan awards, 120 students were offered financial support as continuing students. In this respect, a total 130 students applied for financial support, the Board could only support 120. These students were supported to complete their final year of study for both undergraduate Degree and undergraduate Diplomas.

Final Year Students			Final Year Undergraduate Degree Students			Final Year Diploma Students		
Total No.	Male	Female	Total No.	Male	Female	Total No.	Male	Female
120	85	35	89	64	25	31	21	10
	70.8%	29.2%	74%	71.9%	28.1%	26%	67.7%	32.3%

1	Total No.	Male	Female	Total No.	Male	Female	Total No.	Male	Female
	735	351	384	65	28	37	120	85	35
		47.8%	52.2%		43%	57%		71%	29%

Table 9: The number of received applications alongside the Lot I processed applications for the academic year 2021/22 in the three categories of Loan Products under consideration

14.3 Lot II Loan Awards

As mentioned earlier, that during the Lot II Loan considerations, Board received an additional 1,226 applications, however, 279 applications were received out of time and so they were declined for further processing. This left 947 eligible applications which were processed together with 81 applications which had been received during the Lot I considerations. In this respect, a total of 1,028 applications were processed under Lot II Loan processing and Board awarded Financial support to 620 Applicants.

	Lot II Students		Considered First Year Undergraduate Degree Students			Considered First Year Undergraduate Diploma Students		
Total No.	Male	Female	Total No.	Male	Female	Total No.	Male	Female
620	393	227	331	183	148	289	210	79
	63%	37%	53%	55%	45%	47%	73%	27%

Table 10: The distribution of the Loan Awards for the Lot II students

15.0 PRESENTATION OF SUCCESSFUL LOAN APPLICANTS

After the entire Loan Award processes, a total of 1,593 students were found to have been retained on the Scheme for the Academic year 2021/22, at an approved budget of US\$ 6,050,000,000. On the basis of the fees structures, the demand and assessment in view of the auto scorecard in ILMIS, the funds were sufficient to support 1,593 applicants.

15.1 The Students' Financing Scheme Performance since Inception

In comparison to the previous Academic Year, the Board's funds slightly increased and was able to support 1,593 new cohort of applicants down from 1,146 who were supported in the Academic year 2020/21.

Year	Sex	Applicants	Selected	Degrees	Diploma	PWDs
FY 2014-2015	Male	1,654	935	935	-	
	Female	471	266	266	-	
	Total	2,125	1,201	1,201	-	-

	Female	12,076	4,000	3,403	597	14
	Total	38,537	12,780	10,839	1,941	67

Table 11: Trend of the received Application, the Supported Numbers subdivided in gender with a provision for Persons with Disabilities

The Board has so far processed 38,546 Loan Applications. Of these it has awarded Loans to 12,780 (33.2%) students. Of these 8,780 (68.7%) are males while 4,000 (31.3%) are females.

Out of the total 12,780, where 10,839 or 84.8% students have been supported to pursue undergraduate Degree Programmes, while 1,941 or 15.2% have been supported to pursue undergraduate Diploma Programmes.

Similarly, of the 10,839 undergraduate Degree students 7,436 comprising 68.6% are males while 3,403 comprising of 31.4% are females. On the hand, 1,941 Undergraduate Diploma Students, 1,344 comprising of 69.2% are males while 597 comprising of 30.8% are females.

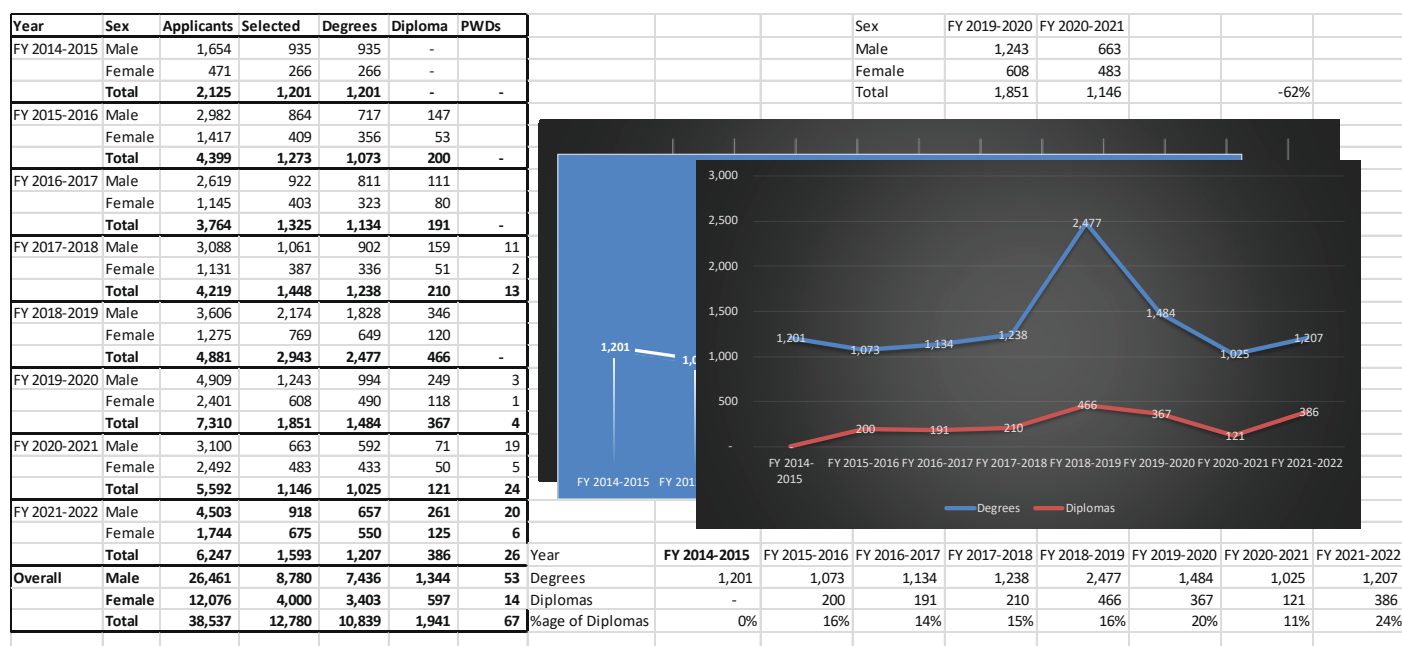

All together, the total number of the supported Males students are 8,780 comprising of 68.7% while the female students are 4,000 comprising of 31.3%.

15.2 The Successful Undergraduate Diploma Loan Applicants for the Academic Year 2021/22

Of the total number of received applications 6,256, the Board processed 915 Diploma applications, this represents 14.6%. Of the 915 Applicants, the Board awarded the financial support to 386 students for the academic year 2021/22 to pursue Diploma studies. The 386 successful Diploma applicants, represent 42.2% of the total number of all the eligible Diploma applicants. In addition of the 386 students, 261 are male while 125 are female.

15.3 The Successful loan Applicants for the Academic Year 2021/22

As noted from above, that a total of 6,256 applications were received, where 4,886 (78.1%) were eligible for Financial support. The Degree applicants considered for the award for the year were 3,972, of these the Board has awarded financial support to 1,027 students comprising 21% of the total number of the eligible Loan applicants for the academic year 2020/21, and 25.9% of the total number of all the Eligible Degree Applicants. Of the 1,027 students, 657 (54.4%) are males while 550 (45.6%) are females.

16.0 REGIONAL DISTRIBUTION

In terms of regions, the country is divided into four (4) regions, namely Central, Eastern, Northern and Western.

	Total Number of considered Applications	Number of Awarded Loans for the Region	Regional Success Rate (%)	Regional Distribution rate as % of total awards
Central	908	289	31.8	18.14
Eastern	1,200	358	29.8	22.47
Western	2,115	610	28.8	38.29
Northern	660	336	50.9	21.10
Total	4,883	1593		100

Table 12: Regional performance and breakdowns (this breakdown excludes the rejected applications)

Specific provisions were made, to ensure regional balance through affirmative action for Northern Uganda and the Island Districts of Kalangala and Buvuma in the score card, where students hailing from the North and studied from schools located in the North were deliberately given a higher score.

This was in conformity with Board approval that a deliberate approach be made to ensure regional balance for Northern Uganda and the Island districts of Kalangala and Buvuma. In this context, Northern Uganda comprises of the West Nile sub region, the Karamoja sub region, and the greater north of Lango and Acholi land.

Specific efforts to get more students from the Karamoja Region were crafted. This involved multi-dimensional activities which involved the area Members of Parliament, the Resident District Commissioners, the District Administration Leadership and the Universities of Ndejje and ISBAT.

To this effect, a total of 116 students were awarded Loans on affirmative action, of these 85 (73.3%) are males while 31 (26.7%) are females. The bulk of these students joined ISBAT University.

It's at this point that HESFB appreciates ISBAT University for hosting a big number of the Students hailing from Karamoja and for all the support it has rendered them to settle in and pursue their studies. On a humanitarian ground, the University transported the students to Kampala, offered them a hostel and paid for their meals. We really appreciate them for their services to the students which were humanitarily over and above what a Private University does.

We observed that the low numbers of students from the North and Karamoja in particular was probably due to lack of that critical financial resources to kick start the Loan Application process and the financial resources needed to keep the students in class which may not be afforded by the family.

It's at this point that probably in the coming years, a consideration be made to support such students with some welfare funds to keep them going while at School.

Finally, about the affirmative action report – It's highly commendable that for the first time, Nakapripit registered 16 successful Loan Applicants, after a successful campaign. This is one of the Districts where the Board always thought, there were no eligible students

17.0 Distribution of Beneficiaries According to the Participating Higher Education Institutions

The participating Higher Education Institutions are divided into 2 categories, namely: - the Universities and the Other Tertiary institutions. This academic year, the Institutions which dominated the Scheme are Kampala International University with 298 successful applicants, was followed by ISBAT University which got 156 successful Applicants, this was followed by Makerere University, Kyambogo University and Ndejje University.

Generally, we observed low participation rates amongst the Public Universities, which was partly, caused by the long and delayed admissions processes which were affected by the systems upgrade across a number of Public Universities. This could have resulted into the low numbers for Makerere University and Kyambogo University. It should be noted that while Makerere University and Kyambogo University are the two (2) leading Universities in the Country, the Board's experience with them is that of frustration. Applicants can hardly get their admissions in time, and even when the lists are out, the letters do not easily come by. So this slows down the Board's activities, which are guided by the Law. This leaves the Board with one alternative of proceeding and others follow but to the disadvantage of the Applicants from those two (2) Institutions.

The distribution of successful applicants by Institution has been provided in Annex III attached.

18.0 Distribution of the Successful Undergraduate Applicants by District

The Board has provided a comprehensive District distribution of the Loan beneficiaries from 2014/15 to 2021/22. Care shall be exercised in assessing the performance of the newly created Districts since their details can only be seen after their creation and not at the time when the Loan Scheme was created.

Annex IV attached, shows the distribution of Applicants, by number and by Success by District of Origin, which is also further distributed by gender.

19.0 The Budget

The total budget for the student loans for the academic year 2020/21 was approved as US\$ 6,050,000,000 for the 8th cohort of students. The amount and the numbers are both in conformity with the provided budget. Of these resources US\$ 500,000,000 was earmarked to support the first batch of the continuing students. Indeed

The lists of the Loan beneficiaries have been attached in the Annex V

Annex V is the List of the names of applicants who accessed the Loan Scheme for the Academic year 2021/22. The names have been provided in alphabetical order.

20.0 Challenges and Recommendations

1. Limited Funding to The Board: - Funding to the Board is ranked the number one challenge in the execution of the mandate. It's the main variable that determines the supported numbers. This year, the Board received an additional US\$ 500 million, which added 120 continuing students on to the Scheme. This confirms that every small addition to the budget can bring in significant changes in the funding spectrum of the Scheme.
2. Regional Balance: - The Board has consistently experienced regional imbalance in offering its services to the citizens of Uganda. While poverty has no boundaries and cannot be strictly apportioned to any specific region of the Country, the Board takes affirmative action measures to ensure that students hailing from Northern Uganda and attended A' Level Schools located in the North are awarded additional points. This has yielded the numbers. However, the imbalance in Education Services that affect the North, need to be addressed more comprehensively using political, and social economic strategies which address the issues of better basic education, poverty, ignorance, drug and alcohol

abuse among the youth, and general lack of income generating activities at homestead level.

3. Gender Parity: - The report has it that the Board has so far supported 12,780 students. Currently the male students are 8,780 comprising 68.7% while the female students are 4,000 comprising 31.3%. It's a good achievement that Board maintained a performance rate above 30% gender policy requirement. It's not the best but worth mentioning and a lot needs to be done to keep it up and higher. The Board desires to score the 50% / 50% among males and females.
4. "Danger of a Single Emphasis on Basic Education as Being the Highest Priority" - The absence of a balanced development strategy for the education sector has meant that private organizations in Uganda have taken only a marginal interest in the development of Higher Education on the grounds that even the development partners and the private sector businesses have not had much interest in this area. As the Education Sector, the debate on Higher Education Financing and Development should be amplified and moving the idea of creating an independent Ministry of Higher Education, Science, Innovations and Technology remains an outstanding issue that requires support.
5. Sluggish Implementation of the Higher Education Students Financing Act in its Entirety – in the 8th year of the existence of the Higher Education Students' Financing Board, Section 42 of the Act has not been implemented. This has created a singled sided Scheme which under the law provides for both Loans and Scholarships. This challenge needs to be addressed as a matter of priority, with the hope that Government will address this matter.
6. Funding Higher Education in the New Normal as a Result of the Covid 19 Pandemic: - All Higher Learning Institutions are now mandated to operate in the so called new normal which has brought about the need to study online. Every learner, needy or not MUST access learning materials using ICT targets such as electronic IPads, Laptops, desk top computers or a smart phone. These are not only expensive but also require the constant and routine purchase of data to enable connectivity and the ability to access the virtual lectures transmitted via the zoom platform. Vital decisions MUST be made on the taxation of Electronic Educational materials together with the Taxation on Data to ensure affordability across the board.
7. Inability to Synchronize Admission Dates between Public and Private Higher Education Institutions: - the Board relies on admissions from these Institutions to start its selection process. The selection process for Universities is not synchronized in terms of dates (timelines) and as such, the Board waits until all the Universities have finalized their admissions which are then followed by the OTIs. This limits the Board in terms of processing time, it also affects the students who are usually not sure whether they will receive funding and yet the Universities have already opened. They end up reporting late or failing to report at all. The Ministry of Education and Sports MUST handle this problem using all its power and authority to ensure a seamless system that admits all Higher Education Learners in the country for both Public and Private Higher Education Institutions at all levels of learning at the same time.
8. Lack of Office Space: - the Board rents office space and a fixed cost is paid on a semi-annual basis. The rental rates are high hence, impacting heavily on the non-wage expenditures of the Board. A home for the Board is need to ensure saving.
9. Unreliable Data / Information by Applicants: - as a Board, we would like to relay on verifiable personal information from a credible source; we are unable to verify the births and deaths due to the numerous sources of documents related to births and deaths in the Country. Over time, individuals have started manufacturing their own birth and death certificates for purposes of getting the loan since we currently rely on the face value of the information provided by the students. It is high time Government implemented compulsory births and deaths registrations and routine deregistration of deaths off the national register. In addition, there should be burial permits like it happens elsewhere in order to confirm that a death really occurred.
10. Inability to Fund Expensive Programmes: - Due to the limited budget, the Board is not able to fund programmes which are priced above the Board's approved upper limit of US\$ 7.2 million p.a.

This has particularly affected the Board's ability to fund the Medical students at Uganda Christian University- Mukono and the Islamic University in Uganda [IUIU] where both institutions could not subsidize the students in an already financially starved environment. Kampala International University, is on the verge of changing its bursary framework with HESFB, where the support is likely to shrink in the near future.

APPENDICES

ANNEX I: HIGHER EDUCATION STUDENTS' FINANCING BOARD LIST OF THE PROPOSED UNDERGRADUATE DEGREE PROGRAMMES FOR SUPPORT IN THE ACADEMIC YEAR 2021/22

ANNEX V: HIGHER EDUCATION STUDENTS FINANCING BOARD
LIST OF SUCCESSFUL LOAN APPLICANTS FOR THE ACADEMIC YEAR 2021/22

S/No.	Application No.	NAME OF APPLICANT	Gender	District of Origin	Admitted University	Admitted Course	Course Duration	Course Type	Region Origin
1	HESFB/2021/13115	AARON NGOROK ABABA	M	Napak	ISBAT University	Dip. Information Technology	2 years	Diploma	Northern
2	HESFB/2021/10357	AARON PULKOL	M	Moroto	Kampala International University	B. Medicine and B. Surgery	5.5 years	Degree	Northern
3	HESFB/2021/10349	AARON TIMOTHY OTIM	M	Lira	Kampala International University	B. Medicine and B. Surgery	5.5 years	Degree	Northern
4	HESFB/2021/02775	ABAASA DEFENDER	M	Ibanda	Uganda Technical College, Elgon	Diploma in Building & Civil Engineering	2 years	Diploma	Western
5	HESFB/2021/11549	ABDUL KARIM	M	Bundibugyo	Mountains of the Moon University	Diploma in Information Technology	2 years	Diploma	Western
6	HESFB/2021/09141	ABDUL SSELUMA	M	Ibanda	Kabale University	B Science Education	3 years	Degree	Western
7	HESFB/2021/08114	ABDULHAKIIM MAGOOLA	M	Bugweri	Kampala International University	B Science Education	3 years	Degree	Eastern
8	HESFB/2021/06540	ABDULLATWIIF ALI MAKIIKA	M	Jinja	Mbarara University of Science and Technology	B. Pharmacy	4 years	Degree	Eastern
9	HESFB/2021/08132	ABDULMANAFI NKUNDWE	M	Mayuge	Ndejje University	B of Engineering CIVIL	4 years	Degree	Eastern
10	HESFB/2021/01113	ABENAWA JUSTUS	M	MBARARA CITY	Ndejje University	Diploma in Civil Engineering	2 years	Diploma	Western
11	HESFB/2021/09689	ABIGAIL CHEKWEMOI	F	Tororo	Busitema University	B Science Education	3 years	Degree	Eastern
12	HESFB/2021/00673	ABIOLAH AKANYIJIKA	M	Mbarara	Makerere University	B.Sc. Biomedical Engineering	4 years	Degree	Western
13	HESFB/2021/08055	ABRON BAKASHABA	M	Ibanda	Uganda Technical College, Bushenyi	Diploma in Civil Engineering	2 years	Diploma	Western
14	HESFB/2021/11997	ABUBAKALI MUBI	M	Kaliro	Medical Lab Training Sch Jinja	Diploma in Medical Lab Technology	3 years	Diploma	Eastern
15	HESFB/2021/00057	ABUD RASHID SSEKABIRA	M	Lwengo	Kampala International University	B. Medicine and B. Surgery	5.5 years	Degree	Central
16	HESFB/2021/00603	ABUNELI KALIBO	M	Bududa	Busitema University	B Science Education	3 years	Degree	Eastern
17	HESFB/2021/10435	ADAM GALANDI	M	Luuka	Busitema University	BSc. Polymer, Textile & Industrial Engineering	4 years	Degree	Eastern
18	HESFB/2021/07647	ADATHA TINDIMWEBWA	F	Ntungamo	Bishop Stuart University	B. Nursing Science	4 years	Degree	Western
19	HESFB/2021/06135	ADDAH NAHWERA	F	Kiruhura	Bishop Stuart University	B. Agribusiness Management & Community Development	3 years	Degree	Western
20	HESFB/2021/02074	ADELLAH AINEMBABAZI	F	Rukungiri	Kyambogo University	B of Economics and Statistics	3 years	Degree	Western
21	HESFB/2021/04878	ADERAH NATUMANYA	F	Rukungiri	Kabale University	B. Information Technology	3 years	Degree	Western
